Complaints Policy

This policy tells you how to make a complaint at Scorpions Netball Club.

This is the policy that we will follow if your complaint is about someone's conduct or behaviour.

This could be because you think that someone has behaved in a way that is unsafe, unprofessional, discriminatory, offensive or intimidating. It could be because someone has broken important rules or policies.

Our Values and principles

Everyone has the right to complain: we take complaints seriously. You should not be harassed, bullied or put at a disadvantage because of making a complaint.

Equality: you should receive a proper response to your complaint, regardless of your age, gender, disability, race, religion, nationality, social status, sexual orientation or political persuasion.

Fairness: we believe that complaints should be dealt with fairly and openly. Unless it would put other people at risk, those affected by a complaint should have a chance to contribute and respond to any investigation.

Safety and welfare take priority: we will always give priority to concerns that affect safety and welfare. Issues affecting children will be treated with the highest priority.

Confidentiality: we treat complaints as confidentially as possible.

Sometimes we have to discuss complaints with other organisations such as local league, our county association or our Governing Body. If we are worried about a risk to a person or to the public, we might need to pass on our concerns to the right authorities. If necessary, we will get advice from other organisations such as the Police or Social Services.

How to make a complaint?

If you have a complaint, it is often best to start by having a conversation with one of our coaches or our safeguarding officer. Scorpions Netball Club have offered some suggestions below about who to speak to as they may be able to help to resolve your problem. You may also make a written complaint. The address for written complaints is at the bottom of this policy.

If your complaint needs to be investigated further, you could be asked to put your complaint in writing. We accept anonymous complaints, but it is often very difficult to investigate these properly. It is easier for us to handle your complaint if you provide as much detail as possible.

Who to contact to make a complaint?

Complaints will usually be handled by head coach and/or Safeguarding Officer with where applicable assistance from the management committee

Complaints Policy

We will give an initial response to your complaint within ten working days. If the matter is urgent, we will respond more quickly. We will investigate your complaint fairly. This means that we will discuss the complaint with all relevant people. We will try to gather any information that may be relevant to handling your complaint.

Sometimes we will ask to show copies of information from the investigation to other people to allow them to respond. This is because we believe in fairness and openness. We will not share information if we think that this will endanger someone's safety or welfare.

How will I know what is happening with my complaint?

You will be given the details of a person who will be your point of contact. That person will make sure that you understand the process and will help to answer any questions or concerns that you have. You will be given an update on the progress of your complaint every two weeks. If there are delays in handling your complaint for any reason, we will keep you informed. If your complaint leads to formal disciplinary action against someone, we will usually inform you about the outcome. We will not tell you the outcome if that person is a child, or if we believe that telling you would create a risk to other people. In this situation, we will still try to tell you about how you are affected by the action that we have taken.

What are the possible outcomes or results of my complaint?

In many cases, we are able to resolve problems informally. This might include:

- A change in arrangements for particular activities
- An explanation or apology
- An agreement to communicate or act differently in future

If an informal resolution is not suitable, then a small committee of senior committee members will look at the information about the case. We will try to make sure that this reviewing committee does not contain anyone directly involved with your complaint.

They might decide to take the following action:

- Formal disciplinary action under the rules of the club venue
- Formal disciplinary action against a member
- Changes in formal contracts or arrangements put in place by the venue
- A decision to refer the case to another organisation such as our County Association or Governing Body
- Closure of your complaint without action

Is there anyone else I can talk to?

Sometimes it can be useful to speak directly to someone outside Scorpions Netball Club. You may need urgent advice about someone's safety or welfare or You don't want to discuss the issue with someone at the venue. Other reasons could be your complaint is very serious or your complaint involves other organisations and/or requires specialist advice.
